

Marcia C. Javitt

MD, FACR, FSAR, FSRU,

The Director of the Medical Imaging at the Rambam Health Care Campus and Visiting Professor of Radiology at the Technion Faculty of Medicine since 2014. Previously staff Radiologist at the National Military Medical Center and Section Head of Body MRI and of Genitourinary Radiology at Walter Reed Army Medical Center in Washington, DC, she is a fellow of the American College of Radiology, the Society of Abdominal Radiology, and the Society of Radiologists in Ultrasound.

With more than 25 years of administrative experience as Director of Women's Imaging, Body MRI, and Genitourinary Radiology at Johns Hopkins at Green Spring Station, University of Maryland, and George Washington University, Dr. Javitt trained hundreds of fellows, residents and students. Dr. Javitt is the Section Editor for Women's Imaging for the American Journal of Roentgenology and serves as peer reviewer for *Radiology*, *American Journal of Roentgenology*, and *RadioGraphics*, among many other journals.

She was the multiyear recipient of the Editor's Recognition Award with Special Distinction for excellence in peer review from *Radiology*, the 2008 recipient of the Alice Ettinger Award for lifetime achievement in the field of Radiology from the American Association for Women Radiologists, and was recognized with both the American Board of Radiology's Distinguished Service Award on March 1, 2010, and the Lifetime Service Award in 2015.

She is a past President of the Society for the Advancement of Women's Imaging, an Oral Board Examiner for the American Board of Radiology, and was the founding chairperson of the American Board of Radiology Core Exam Subcommittee for Reproductive Endocrinology. Dr. Javitt was chair of the ACR Appropriateness Criteria Committee on Women's Imaging, and chair of the ACR Appropriateness Criteria Committee on Methodology through 2015.

Dr. Javitt has authored two textbooks, several book chapters, and more than 107 publications in peer reviewed medical journals. Her main research interests are in women's imaging and genitourinary imaging.
