### **Keywords**

You can include up to five keywords. The keywords should be selected from Medical Subject Headings (MeSH) to be used for indexing of articles. See:

<http://www.nlm.nih.gov/mesh/MBrowser.html> for information on the selection of keywords.

### **ABSTRACT**

- The abstract must be written in English, using font Times New Roman, font size 11 and single-line spacing
- Special characters in the title or body of the abstract or in the co-author's names or affiliations should be used according to instructions in the submission system to avoid formatting errors.

### **TITLE**

- Shouldn't exceed **150 characters**.
- CAPITALIZE the entire title.
- Spell out all words.
- Do not use abbreviations
- Check that your title is complete in case you copy and paste it into the field

### **BODY TEXT**

- The text should be arranged using the following headings:  
**Aim, Material and Methods, Results, Conclusion.**
- The abstract shouldn't exceed **250 words**
- Do not include authors, institutions, city and abbreviations in the title or in the text since the grading and selection process is blinded.

- Do not include grant acknowledgements in the abstract content. Do not cite keywords or references in the abstract, as they are not allowed and will be deleted.

The abstract will be accepted according to scientific merit.

The final selection of abstracts will be performed by the Local Organizing Scientific Committee after the final deadline has closed and before the deadline for early bird registration for the congress. The corresponding authors will be notified about the outcome (accepted or not accepted) of the review process.

**Please ensure that the email address provided during the abstract submission is accurate, as all correspondence will be via email.**

**NOTE:**

**Registration is compulsory.**

In order to present an abstract during the congress the presenting (corresponding) author has to register and pay the registration fee **at the latest on April 30<sup>th</sup>, 2022**. If the registration fee hasn't been paid before deadline the abstract will not be included in the final programme.

**From May 1<sup>st</sup>, 2022, the scientific programme is set and abstracts cannot be withdrawn.**
